ABOUT ME

Saara Bandara Founder & Makeup Artist

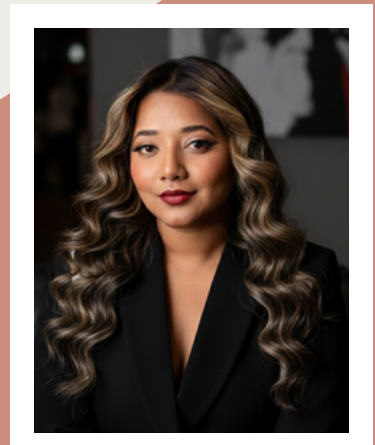

03

My name is Saara Bandara, and I am the founder of Million Pearls Makeup Studio. I was born in Sri Lanka and have been passionate about makeup since I left school there. Makeup has always been a big part of my life, and over the years, this passion has only grown stronger.

I am now a qualified makeup artist and stylist based in Melbourne, Australia. I trained at an Elite academy under the guidance of award winning educator **Justine Poniris**, which has given me advanced skills, confidence, and industry standard techniques to deliver flawless results for my clients. I also completed a Makeup Essentials online course with **Alex Babsky**, a renowned celebrity makeup artist in London, and I enhance my expertise by completing a course with international makeup artist **Raphael Oliver**.

Makeup for me is more than just a job. It is my creative expression and a way to bring joy, confidence, and beauty to others. I take pride in offering personalised services with care, attention to detail, and a touch of luxury. My ultimate goal is to become a celebrity makeup artist, creating unforgettable red carpet looks that people will admire and remember for generations.

I am excited to share this journey and grow Million Pearls into a trusted name for beauty and glamour in our community.
